Light and Lighting

Volume 52 1959

Authors' Index

BEGGS, S. S.	Some Notes on Answers to the 1958 City and Guilds Examination Papers (Part I)	91
	„ (Part II)	170
BELLCHAMBERS, H. E.	Polar Curves of Sector Flux and Illumination from Linear Sources	162
	The Determination of Zonal Flux from Luminaires having an Asymmetrical Intensity Distribution	165
CLARK, D.	The Norwich Experiment—The Lighting Installation	267
COLE, G. F.	CIE Brussels, 1959	245
JEHU, V. J.	A Method of Illuminating Direction Signs on Motorways	338
LAMBERT, G. K.	Railway Floodlighting at Crewe	191
	Potential Application of the Linear Sodium Lamp to Street Lighting	292
LEHMANN, R.	A Large Area Luminaire with Xenon Lamps of High Loading	24
LEVEY, G. W.	Safety Lighting	201
MILES, G. E.	Artificial Lighting in Interior Design	233
PARKS, J. F.	Railway Floodlighting at Crewe	191
PENNY, A. G.	Random Review of 1958	5
PHILLIPS, D.	Electrical Engineers' Exhibition	153
ROBINSON, W.	Heating and Lighting	289
ROWLANDS, E.	Discomfort Glare in Interior Lighting Installations—Comparison of Appraisals and Calculated Values	102
SCHMIDT, W.	A Large Area Luminaire with Xenon Lamps of High Loading	24
TATE, R. L. C.	Transatlantic Sketch-book	225
	Luminous Ceilings Reviewed	358
WESTON, H. C.	Some Differences in Lighting Codes	159

Subject Index

* Denotes a full and comprehensive feature.

	Page
A	
AEI Headquarters at Leicester	203
AGIP Motels in Italy	272
*APLE Conference and Exhibition	317
Artificial Lighting in Interior Design	233
ASEE Exhibition	153
B	
Banks, Lighting Installations	210
Book Reviews	30, 148
British Lighting Council	199
*Brussels, CIE Meeting	245
C	
*CIE, Brussels Meeting	245
Ceilings, Luminous	220, 358
City and Guilds Examination Results	281
City and Guilds, Some Notes on Answers to the 1958 Examination Papers	91, 170
Columbia Theatre	196
Correspondence:—	
Appraisal of Discomfort Glare	274, 370
Equivalent Reflectance	84
Gas Street Lighting	183
High Elevation Lighting	239
Crewe, Railway Floodlighting at	191

PAGE

D

Determination of Zonal Flux 165
Direction Signs on Motorways, Method of Illuminating 338
Discomfort Glare in Interior Lighting Installations—Comparison of Appraisals and Calculated Values 102
Dolcis Self Service Shop 188

E

Exhibitions:—
*APLE 330
Electrical Engineers 153
Physical Society 96
Exeter University, Queens Building ... 283

H

Heating and Lighting 289
Hong Kong, Kai Tak Airport 341

I

Illuminating Engineering Society:
Gold Medal 314
Golden Jubilee Dinner 142
" " Overseas Visitors' Tour 260
" " Reception 368
Meetings 32, 109, 179, 369
Monographs 151
President 280
Swan Anniversary Lecture 110
Technical Report No. 1 2
*The First Fifty Years 37
Trotter-Paterson Memorial Lecture 150
Interior Design, Artificial Lighting in 233
*International Review 115

K

Kai Tak Airport, Hong Kong 341

L

Large Area Luminaires with Xenon Lamps of High Loading 24
Lighting Abstracts 22, 100, 168, 208, 228, 270, 298, 366
Lighting Company Headquarters at Leicester 203
Lighting Codes, Some Differences in... 159
Lighting the Retail Store 98, 216
Lighting and Heating 289
Linear Sodium Lamp, Potential Application to Street Lighting 292
Luminous Ceilings 220
Luminous Ceilings Reviewed 358

PAGE

M

Method of Illuminating Direction Signs on Motorways 338
Motels in Italy 272

N

National Illumination Committee 177
New Products 28, 206, 236, 304
Norwich Experiment 264

P

Physical Society Exhibition 96
Polar Curves of Sector Flux and Illumination from Linear Sources 162
Potential Application of the Linear Sodium Lamp to Street Lighting ... 292

Q

Queens Building, Exeter University ... 283

R

Railway Floodlighting at Crewe 191
Random Review 5
Reviews of Books 30, 148
